

VIOCOOL

For removal of brassy tones

Say goodbye
to brassy tones!

**Nobody wants unwanted yellow hues in their hair.
The aim? Perfectly cool, vibrant blonde.**

Our solution? IdHAIR VioCool—simple and effective!

Just press gently on the bottle to add a few drops
to your bleach, colour mixture, shampoo or mask.

Watch those brassy tones vanish, leaving you
with stunning, pure blond results.

It's practically magic!
